Booking Mass Intentions for 2011

There is a great tradition of families remembering deceased family members at an annual public Mass. People may begin booking Masses for 2011 now. Due to the high number of Masses being booked for weekends it is necessary for families to share. So if you book a Mass for a particular Saturday or Sunday and another family wants the same day, it will be necessary for both families to share the same Mass. This new arrangement will apply from January 2011.
