AS WE BEGIN A NEW YEAR, LET US ASK GOD TO BLESS US.

“A BLESSING”

May the light of your soul guide you.
May the light of your soul bless the
work that you do
with the secret love and warmth of
your heart.

May you see in what you do the
beauty of your own soul.
May the sacredness of your work
bring healing, light
and renewal to those who work with
you
and to those who see and receive
your work.

May your work never weary you.
May it release within you wellsprings of
refreshment, inspiration and excitement.
May you be present in what you do.
May you never become lost in bland absences.
May the day never burden.
May dawn find you awake and alert,
approaching your new day with dreams, possibilities and
promises.

May evening find you gracious and fulfilled.
May you go into the night blessed, sheltered and
protected.

May your soul calm, console and renew you.
