Work is progressing well on our new Parish Centre and the renovation of the Parochial House. We are at the final stages with Westmeath County Council on planning and related matters. In August we hope to invite tenders, these will then be processed and a contractor chosen. We would then hope to start work at the end of September and finish at the end of May. The work on site will take about eight

months. The Parish Pastoral Council has worked really hard on the project. So, thanks to them for all their hard work and dedication. Thanks to all the people of the Parish for their support and encouragement.
