Work is progressing well on our new Parish Centre and the renovation of the Parochial House. We are at the final stages with Westmeath County Council on planning and related matters. In August we hope to invite tenders, these will then be processed and a contractor chosen. We would then hope to start work at the end of September and finish at the end of May. The work on site will take about eight months. The Parish Pastoral Council has worked really hard on the project. So, thanks to them for all their hard work and dedication. Thanks to all the people of the Parish for their support and encouragement.

The **Eucharistic Congress** was a great event for all who attended some or all of it. It is a great celebration and encouragement in the faith. Even those who were unable to go and joined in the Masses on T.V. were blessed by it. The theme "Communion with Christ and with one another" is a great motto for each of us to have in the year ahead. It will also inspire us to be willing to speak about our faith and to be proud of it. Thanks to all the homes who took the candle and cross and

prayed for the success of the Congress and to all who continue to do so until September. Your prayers will bless many people.
