Your support brings hope to the lives of those most in need. More than 88 cent of every euro we receive goes directly to the people who need it most, to bring positive and lasting change for the

better. There are many countries in the Third World today where the majority of the people go to bed hungry every night, where the majority have never learned to read or write. Trocaire work with amazing people to bring about positive and lasting change in some of the world's poorest places. Thanks to everyone who are supporting Trocaire with their Lenten Box.
