Progress Report on the Development of a Parish Centre.

Following the placement of an advertisement in the local papers last February seeking Expressions of Interest from Consultant Engineers / Architectural Firms to Project Manage the development of a Parish Centre for Kilbeggan, 12 expressions of interest were received by closing date 18th February.

Each Firm that expressed an interest was asked to submit a quality submission and tender price for the work before 26th April.
Following an assessment of the submissions the Parish Council have decided to appoint, Heavey Architects in Athlone, to Project Manage the development of the Parish Centre.

In consultation with the Parish Council, Heavey Architects will now prepare outline drawings and cost estimate including structural evaluation of the Parochial House as an alternative location and make a recommendation on the most suitable site. When Heavey Architects have developed drawings for the Parish Centre they will go on display in the Church.

When and why are we getting a new edition of the Roman Missal?

The new edition of the Missal will come into full use over a period of time between September and 27 November 2011, the First Sunday of Advent. The new edition is necessary for a number of reasons. Firstly, in the years since 1975 when our current Missal was published, a number of additional texts have been made available for use in the Mass. These include additional Eucharistic Prayers, some new Masses of the Blessed Virgin Mary and Masses for over twenty new Feasts of Saints (for example, Padre Pio, Edith Stein, Maximilian Kolbe). The new material is to be included in the Missal so that it can be used in our celebrations.

Secondly, in 2001 the Holy See issued new directives for the translation of the Latin texts. Translators were asked to make the English text follow more closely the original Latin in its wording and structure. They were also asked to strengthen the biblical language and images in the texts and to reintroduce some theological vocabulary that may have been lost over the years.

Across the English-speaking world the new edition of the Roman Missal will therefore contain both new material and a new style of translation.
