Dear brothers and sisters, in our catechesis on the Dogmatic Constitution *Dei Verbum*, today we considered the profound and vital connection between the Word of God and the Church. Sacred Scripture, which has been entrusted to the Church and is guarded by her, reveals its meaning and manifests its strength in the life and faith of the Church, above all in the celebration of the Holy Eucharist. For this reason, the Church continually meditates upon and interprets Scripture because it is the means by which we come to know the incarnate living Word of God who is Jesus Christ. Indeed, praying with Scripture opens the door for an intimate relationship with God who through these sacred writings invites us into conversation with him. As Saint Jerome rightly points out, ignorance of Scripture is ignorance of God. With this in mind, I encourage you to read and contemplate the inspired word of God daily. May the Word of God nourish our hearts and minds and lead us to the fullness of life.
