We are just beginning **Holy Week** with the triumphant entry of Jesus into Jerusalem. The crowds welcome Him and sing Hosannas in his honour.

**He will give us the Eucharist as the Sacrament of his Real Presence and Love.** But, we will see the tide change, Jesus will be rejected by the people and his own disciples, he will be betrayed. We will follow him on the way of the Cross and witness him dying for our sins. But this is not the end, we will witness the empty tomb, and be able to cry out Alleluia He is Risen.

**This is a week when we can renew our faith and devotion, by following Jesus through the week and the events of our salvation. This is a week to come closer to Jesus and to deepen our love and commitment to our faith in Jesus.**

**This is a time for us to come together as a parish of Faith to worship the Lord.**

**Please come and join in all the Ceremonies.**

**Pope Leo's Intention for April: For priests in crisis** - Let us pray for priests going through moments of crisis in their vocation, that they may find the accompaniment they need and that communities may support them with understanding and prayer.

Prayer Network**
