Magnifica Humanitas, (Magnificent Humanity) - On Safeguarding the Human Person in the Time of Artificial Intelligence. Pope Leo XIV's first encyclical, speaks directly to one of the most urgent questions of our time: What does it mean to remain fully human in the age of artificial intelligence? With moral clarity and pastoral depth, Pope Leo offers a compelling Christian response to the rise of digital technocracy and power, showing how faith, reason, and the rich tradition of Catholic social teaching can guide society through rapid technological change.
