Come to me, all you that are weary and are carrying heavy burdens, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."

This week was the 110 anniversary of the Birth of Saint Mother Teresa .1946, Mother Teresa received the inspiration to found the Missionaries of Charity in response to Christ's plea that she makes Him known to the poorest of the poor by her humble service of love.

She envisioned a congregation of women and received her first companion in March 1949. The

“little Society” of twelve members was officially established on 7 October 1950. The religious branches include the Sisters, followed by the Brothers on 25 March 1963, then the Contemplative Sisters on 25 June 1976, the Contemplative Brothers on 19 March 1979, and the Fathers on 31 October 1984.

As a religious family all share in the charism of Mother Teresa to satiate God's thirst for love by personal holiness and by working for the salvation and sanctification of the poorest of the poor.

We wish all girls and boys, staff and parents every blessing as schools reopen . We ask the Lord and Our Lady to bless them all and keep them safe.

Novena prayer to Saint Teresa of Calcutta

Saint Teresa of Calcutta, you allowed the thirsting love of Jesus on the Cross

to become a living flame within you, and so became the light of His love to all.

Obtain from the Heart of Jesus ...

(here make your request).

Teach me to allow Jesus to penetrate and possess my whole being so

completely that my life, too, may radiate His light and love to others. Amen.

Her feast day is the 5th of September . There is a Novena to St. Teresa available on the web at.
