## Seating at Masses

A family from the one household will be able to have a whole pew. Individuals from different households will have to be two metres apart. Once the church reaches capacity no one else will be able to come in. They will be able to remain in their car, and will be able to join in Mass with the external sound system. We have no option with the current Government restrictions. Please do not take offence!

Ministers of the Eucharist will be at the entrance to distribute Holy Communion to those who had to wait in their cars.

Please keep the 2 metres distance in coming to Communion. We are all learning the "New Normal"

### Cemetery Sunday

We will not be able to have Cemetery Sunday on 26th of July in the Relic as we had hoped. Hopefully we will be able to have Cemetery Sunday later in the Year. Please contact your families and let them know about the change, and families with plots beside your own who have no relatives.

In recent days, the United Nations Security Council has approved a resolution calling for “an immediate cessation of hostilities in all situations for at least 90 consecutive days”, in order to guarantee humanitarian assistance for the affected populations, and to counter the devastating consequences of the spread of Covid-19 . Pope Francis, with his intervention at the conclusion of the Angelus on Sunday, desired to lend his support to the initiative, hoping that the global ceasefire would be observed “effectively and promptly”. The Pope's initiative represents a new step on a long road — a step made even more urgent by the crisis caused by the pandemic, whose most devastating consequences, on a par with those of wars, fall on the poorest. He has been promoting this idea for many years and especially now with the Pandemic. At every major event Francis had made this his prayer.

According to an Oxfam report, in 2019 global military spending reached two trillion dollars, and currently there are two billion human beings trapped in countries at war, exhausted by violence, persecution, famine — and now, the pandemic emergency.

In Ireland over 1,700 died of the virus, and 6,666 of abortion in the last year. Mothers are the second victim of abortion, and they need help and support . The Lord rejects no one and always has and open welcome for everyone to give his healing and forgiveness. He continues his mission in the Church where he offers healing and compassion through the Sacraments . The function of the priest is to carry on the ministry of Christ.

<https://pray-as-you-go.org/> has a reflection for each day to help pray with a reading from daily Mass. It is very easy to use. It can take about 10 minutes in the day. It

will give the opportunity for the seed of God’s Word to grow in our hearts.
