Come to me, all you that are weary and are carrying heavy burdens, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light.”

Starting from May 2021 until the end of July 2022, the Society of Jesus celebrates the Ignatian year to remember the life of St. Ignatius of Loyola, the founder of the Jesuits

The year will open on Thursday, 20 May which commemorates the 500th anniversary of St. Ignatius's injury during the Battle of Pamplona on 20 May 1521. While defending the citadel of Pamplona against French forces, St. Ignatius was seriously injured after being struck by a canon ball. This led to a long period of convalescence which began his conversion and subsequent transformation from soldier to saint.

During this year themed "to see all things new in Christ", the Jesuits will also mark the 400th anniversary of the canonization of St. Ignatius and St. Francis Xavier on 12 March 2022. The Ignatian year will conclude on 31 July 2022 – the Feast of St. Ignatius. The solemn opening Mass for the Ignatian year takes in Pamplona, Spain on Thursday, 20 May 2021.

The Ignatian year "is a call to allow the Lord to work on our conversion," said Fr. Arturo Sosa SJ, Superior General of the Jesuits. "We ask for the grace to be renewed by the Lord. We wish to discover a new apostolic enthusiasm inside ourselves, a new life, new ways to follow the Lord. That is why we have chosen as our theme for the year: to see all things new in Christ."

Come, Holy Spirit, fill the hearts of your faithful.

And kindle in them the fire of your love.

Send forth your Spirit and they shall be created.

And you will renew the face of the earth.

Lord,

by the light of the Holy Spirit

you have taught the hearts of your faithful.

In the same Spirit

help us to relish what is right

and always rejoice in your consolation.

We ask this through Christ our Lord.

Amen.
