Come to me, all you that are weary and are carrying heavy burdens, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."

Great to be back at Masses as a Parish

We can return to Masses and Church ceremonies on Monday. This is great news for us after long restrictions. We can have two "Pods" of 50 in St. James' Church at the weekend Masses. In order to achieve this we ask people to follow the instructions of the stewards and to enter by the side entrances. Hand sanitisers are available at each door. We will still have the outside speakers for those who wish to stay in their cars.

It will be great to gather for prayer and to see friends in the Parish, and to be able to rejoice in our life as a community of faith and love.

Unfortunately there is still a limit on Funeral Masses and Weddings of 50. Baptisms are limited to 6.

Excerpt from...MESSAGE OF POPE FRANCIS FOR THE 107th WORLD DAY OF MIGRANTS AND REFUGEES 2021 "TOWARDS AN EVER WIDER "WE" "

I invite all men and women in our world to make good use of the gifts that the Lord has entrusted to us to preserve and make his creation even more beautiful. "A nobleman went to a distant country to get royal power for himself and then return. He summoned ten of his slaves, and gave them ten pounds, and said to them, 'Do business with these until I come back'" (Lk 19:12-13). The Lord will also demand of us an account of our work! In order to ensure the proper care of our common home, we must become a "we" that is ever wider and more co-responsible, in the profound conviction that whatever good is done in our world is done for present and future generations. Ours must be a personal and collective commitment that cares for all our brothers and sisters who continue to suffer, even as we work towards a more sustainable, balanced and inclusive development. A commitment that makes no distinction between natives and foreigners, between residents and guests, since it is a matter of a treasure we hold in common, from whose care and benefits no one should be excluded.

The prophet Joel predicted that the messianic future would be a time of dreams and visions inspired by the Spirit: "I will pour out my spirit on all flesh; your sons and your daughters shall prophesy, your old men shall dream dreams, and your young men shall see visions" (Joel 2:28). We are called to dream together, fearlessly, as a single human family, as companions on the same journey, as sons and daughters of the same earth that is our common home, sisters and brothers all.
