Come to me, all you that are weary and are carrying heavy burdens, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."

July 14 Feast of St. Camillus de Lellis

St Camillus de Lellis is patron saint of the sick, hospitals and nurses. He dedicated his life to the sick and to organizing hospitals. He founded the Order of the Camillians, priests and brothers who work in the area of health. He considered the sick to be Jesus Himself.

PRAYER OF THE SICK TO ST CAMILLUS DE LELLIS:

Glorious St Camillus, turn your merciful eyes upon those who suffer and those who care for them. Grant to the sick Christian resignation and trust in the goodness and power of God. Make those who take care of the sick be generous and lovingly dedicated. Help me to understand the mystery of suffering as a means of redemption and the way to God. May your protection comfort the sick and their families and encourage them to live together in love.

Bless those who dedicate themselves to the sick. And may the good God grant peace and hope to all. Lord, I come before You in prayer. I know that You hear me, You know me. I know that I am in You and that Your strength is in me. St. Camillus Pray for us.

"His Holiness Pope Francis spent a quiet day, eating and moving around independently on his own. In the afternoon he wanted to show his paternal closeness to the little patients of the nearby Paediatric Oncology and Child Neurosurgery ward, sending them his affectionate greeting." The Pope had a non-cancerous blockage of the bowel which needed surgery. It was scheduled for the 4th and all went successfully. He is recovering well and thanks everyone for their prayers.
