**Pray for suffering Christians in Nigeria.**

At least 68 Christians have been killed, with many more abducted or displaced in the last couple of months in Central Nigeria's Benue State. Aid to the Church in Need, a Pontifical Charity that supports the faithful wherever they are oppressed, persecuted, or in need, received a report from Bishop Wilfred Chikpa Anagbe of Makurdi, Benue, highlighting the concerning scale of the situation and pointing at the inaction on the part of Nigerian authorities. He said that "the scale of killings, displacement, and wanton destruction of property by these Fulani jihadist militias only buttresses the now revealed agenda to depopulate Christian communities in Nigeria and take over lands.
