**Come to me,
all you that
are weary and
are carrying
heavy bur-
dens, and I
will give you
rest. Take my
yoke upon
you, and learn
from me; for I
am gentle and
humble in
heart, and you
will find rest
for your
souls. For my
yoke is easy,
and my bur-
den is light.”

Abolition of the Death Penalty

We pray that the death penalty, which attacks the dignity of the human person, may be legally abolished in every country.

Pray for the Church in Nicaragua....

The Nicaraguan national police carried out an overnight raid on the Diocesan headquarters of Matagalpa, forcibly taking nine people, including Bishop Rolando Álvarez, and transferring them to Managua. The Bishop is now under house arrest at his residence in the Nicaraguan capital, while the other eight are in custody pending investigation. The Bishop has been asking for fair and open elections and the release of political prisoners.

Messages of solidarity with the Bishop of Matagalpa and the Nicaraguan Church are pouring in from around the world. The action has also been condemned by the Secretary of the Organization of American States (OAS), Luis Almagro, who spoke of the "repressive forces of the Ortega-Murillo regime" calling for the immediate release of the Bishop of Matagalpa and the others detained, as well as all political prisoners.

The Inter-American Commission on Human Rights (IACHR), an autonomous body of the Organization of American States, has strongly condemned what he describes as the escalation in the repression against members of the Catholic Church in Nicaragua and urges the state to immediately cease these acts by immediately releasing Bishop Rolando Álvarez and the other detained persons.
