Come to me, all you that are weary and are carrying heavy burdens, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."

We are encouraged by the interest of so many and now aim to embrace the Easter Liturgy with renewed enthusiasm and a desire to better understand our need to participate in this beautiful Mystery of our Faith.

Quotes from Pope Francis

"Kindness is the firm and persevering intention to always will the good of others, even the unfriendly."

"We must restore hope to young people, help the old, be open to the future, spread love. Be poor among the poor. We need to include the excluded and preach peace."

"Lent is a fitting time for self-denial; we would do well to ask ourselves what we can give up in order to help and enrich others by our own poverty. Let us not forget that real poverty hurts: no self-denial is real without this dimension of penance. I distrust a charity that costs nothing and does not hurt."

"Jesus keeps knocking on our door in the faces of our brothers and sisters, in the faces of our neighbours, in the faces of those at our side."

"Even if bad things happen, even if you have had a bad experience with someone from the Church, don't let it condition you. The Lord is always waiting for you with open arms. I hope you succeed in experiencing it within your lives like I have within mine many times. The Lord has always been beside me, above all in the darkest moments."

Let us go back to the Lord. The Lord never tires of forgiving; never! It is we who tire of asking his forgiveness. Let us ask for the grace not to tire of asking forgiveness, because he never tires of forgiving.
— Pope Francis —

"We will never be disillusioned or lose our way if we are guided by God."

"Grace is not part of consciousness; it is the amount of light in our souls, not knowledge nor reason."

"Dear young people, do not be afraid of making decisive choices in life. Have faith; the Lord will not abandon you!"

"From my point of view, God is the light that illuminates the darkness, even if it does not dissolve it, and a spark of divine light is within each of us."

"Although the life of a person is in a land full of thorns and weeds, there is always a space in which the good seed can grow. You have to trust God."

"Let us pray for peace: peace in the world and in each of our hearts."

"God's love calls us to move beyond fear. We ask God for the courage to put on faith, hope and love as we go out into the world and become the word in body as well as spirit."

"The Eucharist is essential for us: it is Christ who wishes to enter our lives and fill us with his grace."
