Come to me, all you that are weary and are carrying heavy burdens, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light."

May
Month of Mary,
Our Blessed Mother

Dear Brothers and Sisters, The month of May is approaching, a time when the People of God express with particular intensity their love and devotion for the Blessed Virgin Mary. It is traditional in this month to pray the Rosary at home with the family.

For this reason, I want to encourage everyone to rediscover the beauty of praying the Rosary at home in the month of May. This can be done either as a group or individually, you can decide according to your own situations, making the most of both opportunities. The key of doing this is always simplicity and it is easy also on the internet to find good models of prayer to follow.

Dear brothers and Sisters, contemplating the face of Christ with the heart of Mary our Mother will make us even more united as a spiritual family and will help us overcome this time of trial. I keep all of you in my prayers, especially those suffering most greatly, and I ask you, please, to pray for me, I thank you and with great affection I send you my blessing.

We fly to your protection, O Holy Mother of God; do not despise our petitions in our necessities, but deliver us always from every danger, O Glorious and Blessed Virgin. **Pope Francis**
