The Rosary is an effective means for opening ourselves to God, for it helps us to overcome egotism and to bring peace to hearts, in the family, in society and in the world. **Pope Francis**

**Where to go and how to get there**

At times, especially when there are major problems to face and there is the sensation that evil is stronger, we ask ourselves: what should I do, what path should I follow? Let us listen to Jesus' answer: "I am the way, and the truth, and the life" (Jn 14:6). "I am the way". Jesus himself is the way to follow to live in truth and to have life in abundance. He is the way and therefore faith in him is not a "package of ideas" in which to believe, but rather a road to be travelled, a journey to undertake, a

path with him. It is following Jesus, because he is the way that leads to unending happiness. Following Jesus and imitating him, especially with deeds of closeness and mercy towards others. This is the compass for reaching Heaven: loving Jesus, the way, becoming signs of his love on earth.

Brothers and sisters, let us live the present, let us take the present in hand, but let us not be overwhelmed; let us look up, let us look to Heaven, let us remember the goal, let us think that we are called to eternity, to the encounter with God. And, from Heaven to the heart, let us renew today the choice of Jesus, the choice to love him and to walk behind him. May the Virgin Mary, who following Jesus has already arrived at the goal, sustain our hope. **Pope Francis, Regina Caeli 07.05.23**
