After the Regina Caeli on Sunday Pope Francis prayed for peace.

Dear brothers and sisters!

The Holy Spirit is He who creates harmony, harmony! And He creates it from different, at times even conflictual, realities. Today, Feast of Pentecost, let us pray to the Holy Spirit, Love of the Father and the Son, that He may create harmony in hearts, harmony in families, harmony in society, harmony in the entire world; may the Spirit make communion and fraternity grow between Christians of different denominations; give governors the courage to make gestures of dialogue, that lead to an end to wars. Today's many wars: think of Ukraine – my thoughts go in particular to the city of Kharkiv, which suffered an attack two days ago; think of the Holy Land, of Palestine, of Israel; think of the many places where there are wars. May the Spirit guide the leaders of nations and all of us to open the doors to peace.

Peace Prayer of Saint Francis of Assisi

Lord, make me an instrument of your peace: where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy.

O divine Master, grant that I may not so much seek to be consoled as to console, to be understood as to understand, to be loved as to love. For it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.

Amen

Is there anything you can do for peace in your home, family and friends. How about praying for peace each day. Go to a weekday Mass, say the Rosary, visit the Church and light a candle for peace. Forgive someone who has hurt you. Mercy has two legs, to Forgive and to Give, with these legs we will be able to walk into heaven!

*Grace Mercy
and Peace*

We had the **Graduation Mass** of the **Leaving Cert Class** in **Mercy Secondary** on Monday last. We wish them every blessing in the exams, and the guidance of the Holy Spirit for their lives. Please remember them in your prayers.
